"Welcome to 'Express, Create, Communicate'—a three-day national workshop dedicated to expanding the boundaries of self-expression. At GDC Majalta, our endeavor is to equip students with creative courage and articulate communicative finesse. I hope this workshop inspires every participant to break conventional barriers and discover their authentic voice. My warmest wishes to all organizers, mentors, and students!"

Prof. (Dr.) Alpana Vohra
Principal, Govt. Degree College Majalta

CONCEPT & OVERVIEW

The proposed three-day National Workshop provides students with an engaging, experiential platform to discover, develop, and express their creative potential. Recognising that genuine communication transcends formal speaking and writing, the workshop empowers students to observe everyday life more sensitively and transform their lived experiences, thoughts, and emotions into meaningful artistic expressions through interactive storytelling, theatre, poetry, journalism, and music.

WORKSHOP OBJECTIVES

- Develop students' ability to observe, reflect, and construct meaningful narratives from everyday experiences.
- Enhance creative writing, expressive storytelling, and multidisciplinary communication skills.
- Encourage students to articulate thoughts, emotions, and lived memories through poetry and literature.
- Introduce theatre as a vital tool for self-expression, empathy, confidence building, and emotional catharsis.
- Explore music, songwriting, and media communication as impactful mediums for social harmony and connection.
- Strengthen students' self-confidence, imagination, public speaking, and collaborative presentation skills.
- Provide students from rural backgrounds a rare opportunity to directly interact with nationally renowned experts.

★ CORE VISION ★

"Helping students discover their unique voice and communicate it with clarity, confidence, sensitivity, and creative depth."
